Register Your Bike!

Go to https://saferoutes.paloaltopta.org/bicycle-registration and use Bike Index to help protect your bike. You can add pictures, easily edit information as well as delete or transfer ownership of bikes. Importantly, it allows you to list your bike as stolen or lost if your bike goes missing. Bike Index is a national database that has helped recover more than 6,000 bikes!

Start by scanning this QR Code to the registration page.

Serial Number: ________________________________________________________________

Make: _________________________________ Year: ___________________

Model: _______________________________ Color: _______________________

Email Address: __________________________________________________________

To find the serial number turn your bike upside down. Most serial numbers are located under the bottom bracket where the two pedal cranks meet.

Many law enforcement agencies, including the Palo Alto Police Department, use Bike Index.
