## SKILLS

Arbitration

Adjudication

Expert Witness

FIDIC Trainings

## Profile

Robert A. Werth holds a Diploma in International Commercial Arbitration issued from the Chartered Institute of Arbitrators and is Fellow of the Institute; is Dipl-Ing for Civil Engineering and Construction, is appointed on the FIDIC President's List of Approved Dispute Adjudicators and has worked and practiced with the International Construction and Legal Industry for about three decades.

In the first part of his professional career he was Principal Engineer and in company management responsibility for large and extra-large infrastructure projects before he became a full-time Dispute Resolution Practitioner. Since then he, serves as Arbitrator, Adjudicator or Dispute Board Member on International Contracts, frequently as Expert.

He was involved when working with or on behalf of owners, operators, contractors, lawyers and consulting organizations, on numerous projects throughout more than twenty countries. Robert A. Werth has particular experience in complicated contract relations and in disentangling global claims to establish the relationship of particular cause and effect.
