

# **CURRICULUM VITAE**

## **Eur. Ing. PLATONAS STYLIANOU**

B.Eng. (Hons), MSc, MCS, CEng, FICE, FCI Arb, FCS  
Chartered Civil Engineer • Senior Arbitrator • Accredited Mediator • FIDIC  
Certified Adjudicator

### **A. GENERAL**

Born in Nicosia Cyprus in 1971, married with two children. Graduated with a distinction from Apostolos Petros & Pavlos Lyceum in Limassol, continued in Higher Technical Institute (H.T.I.), Nicosia, Cyprus and graduated with a scholarship gaining a B.Eng. (Hons) Degree from the University of Glamorgan (UK) and possess postgraduate training in Arbitration and ADR.

He is Chartered Civil Engineer in UK, a registered Civil engineer in Cyprus (E TEK), a Fellow of the Institution of Civil Engineers (FICE), Fellow of the Chartered Institute of Arbitrators (FCI Arb), ETEK Senior Arbitrator an Accredited Mediator for Trade Issues and a Fidic Certified Adjudicator (FCA).

He is an active Civil / Structural Engineer since 1995 and from 2003 he works as a managing partner / founder in a Civil and Structural Engineering Consultants Office in Nicosia, Cyprus providing services for Earthquake Engineering, structural design in R.C., Steel and Composite Buildings, Bridges and Water Retaining Structures. Also he specialize in retrofitting and conservation of existing structures, restoration of Monuments and Traditional and listed Buildings, and project management.

He has participated in a number of projects as the Lead Consultant or as Structural Designer and/or Project Team Coordinator, in both European and locally funded projects. Also in specialized projects concerning the seismic risk assessment and retrofitting of existing structures and conservation of monuments and traditional buildings and also RC and steel structures in Cyprus and abroad. He participates in various international committees and represents Cyprus in ECCE, FIB and FIDIC.

Also, as a specialist in Alternative Dispute Resolution (ADR), is a regular speaker in conferences for ADR and for Ethics and Disciplinary issues. As an expert he dealt with complex contractual issues in order to resolve disputes, to give expert advice on contracts and to provide mediation, adjudication, expert determinations and arbitrations. He has conducted over 50 Arbitrations/Adjudications either as an Arbitrator or as an Adjudicator.

He is the national representative of Cyprus in the European Council of Civil Engineers (ECCE) and recently was elected as Vice President (2021 to 2024) and President Elect (2024 – 2027) of ECCE (European Council of Civil Engineers).

### **B. Participation in Scientific Committees & Work Groups**

- Coordinator and main writer of ECCE Position Paper *“The need for integrating Structural / Seismic Upgrade of Existing Buildings, with Energy Efficiency Improvements” (2018-2020).*

- Appointed by FIDIC Task Group 8 (TG8) as International Expert / Friendly Reviewer, for producing the update of the FIDIC Short Form of Contract (The Green Book).
- Coordinator of the Cyprus official Committee assigned to translate the Fidic Contracts Documents in Greek language ("Yellow Book 2017 Design and Built").
- Coordinator of ECCE working group for the creation of European Council of Civil Engineers Survey and Strategic Plan (2022-2030).
- Member of ECCE Editorial Board (2<sup>nd</sup> Editor in Chief) for publishing "Notes on the history of Civil Engineering" (Volume I, and Volume II 2021 and Volume III 2022).
- Creator of the idea for the "3S approach" (Safe, Sound and Sustainable) – ECCE moto for Year 2020.
- National Representative of European Council of Civil Engineers (ECCE) – elected Vice President / President Elect. in the Executive Board (ExBo) of ECCE.
- Currently President of ETEK Committee for the "Regular Inspection of Buildings".
- Coordinator of ETEK committee, that prepared the guideline for "General Visual Inspection Forms of RC Buildings", ETEK 2020.
- Member of the Central National Committee for Eurocodes in Cyprus, CYS TE18.
- Coordinator of subcommittee CYS TE / 18 SE 03 & 04 – Eurocodes from 2013 until today.
- Vice president in the ETEK ADR Committee of Arbitrators and Expert Determinations (2014 – today).
- Member of the committee that prepared the "Arbitrators Code of Ethics", booklet of ETEK 2014.
- Chairman of the Committee who were assigned to prepare the "ETEK Arbitration Rules booklet" (2007 – 2011).
- Member of Committee for the translation of the National Annex for EN1993 and EN1994 (2009 – 2011).
- Member of Committee for the preparation of the National Annex for EN1993 and EN1994 (2006 – 2008).
- Member in Engineering Practice Committee of Limited Liability Companies and Professional Indemnity Insurance (2010–2012).
- Member of Cypriot Construction Technology Platform, 2007.
- External Examiner / Verifier regarding the examination of candidates for qualification in Construction Industry (Human Recourse Development Authority).
- President in the ETEK Committee of Monuments and Traditional Buildings (2010 – 2013).

### **C. Professional Bodies Memberships**

- Fidic Certified Adjudicator (FCA).
- Fellow of the Chartered Institute of Arbitrators, (F.C.I. Arb.), membership No: 022383.
- Fellow of the Institution of Civil Engineers, (F.I.C.E.), membership No: 49924833.
- Listed as ETEK Senior Arbitrator, in ETEK President List.

- Chartered Civil Engineer, Member of the Engineering Council UK, (C.Eng.).
- Certified Civil / Structural Engineer in Cyprus, ETEK number A063318.
- Member of the Association of Civil Engineers of Cyprus (CyACE), member ship No 265. President of the Association from 2013 until 2017.
- Member of FEANI association, Federation of European Engineers (Eur. Ing.) member No: 26368.
- Member of Cyprus Technical Chamber (E.T.E.K.). Registered Professional Civil Engineer in Cyprus (Registration No. AO 63318). Also registered as an ETEK Senior Arbitrator.
- Accredited Mediator in Commercial Matters (registered under the Cyprus Law No.159 (I) of 2012).
- Member of the Concrete Society (MCS), member ship No: 20837.
- Member of the Society for Earthquake & Civil Engineering Dynamics. (SECED)
- Member of the Institution of Professional Civil and Mechanical Engineers (Cyprus Branch, joint group).
- Member of the Eurocodes user Group.

#### **D. Other Information**

- Elected as European Council of Civil Engineer (ECCE) Vice President (2021-2024) and as the next ECCE president (2024-2027).
- Elected as ECCE, ExBo member, 2018 to 2021.
- Elected as ETEK (Cyprus Technical Chamber) General Secretary 2020 to 2023. From 2014 is continuously elected as member of the ETEK General Council. Firstly, elected in 2014 to 2017 and re-elected from 2017 until 2020.
- Past President of the Cyprus Civil Engineers Association (CyACE), for two consecutive tenures, 2013 to 2015 and 2015 to 2017.
- He was the General Secretary of Cyprus Civil Engineers and Architects Association (CCEAA).
- He was elected as member of the Disciplinary Board of ETEK from 2005 to 2014.
- He served as the President of Platform 1 of the Disciplinary Board of the ETEK from 2011 to 2014.

#### **E. Publications/ Journal Papers**

- Stylianou P.& others, ETEK Arbitration Rules, 2022 edition, member of the editorial committee and one of the main writer of the booklet.
- Stylianou P.& others, "The need for integrating Structural / Seismic Upgrade of Existing Buildings, with Energy Efficiency Improvements," Position Paper for ECCE, October 2020.
- Stylianou P. "Energy and Seismic Retrofitting of buildings", Alithia newspaper, January 2020.
- Stylianou P. "The energy and seismic upgrading of buildings in Cyprus is correlative", ETEK Newsletter, January 2020.

- Stylianou P. "2020 The year of the 3S Approach, Safe – Sound – Sustainable", CYACE's Technical Magazine, December 2019.
- Stylianou P. (2018), "The need for ADR (Alternative Dispute Resolutions)", CyACE's Technical Magazine, number 040, July 2018.
- Stylianou p., (2017), "the phenomenon of the earthquake and ways of dealing with it", CyACE Webpage, March.
- Ioannides S., Stylianou P., Zenonos Z., "Wargaming Headquarters - High Rise Building", CYACE's Technical Magazine, April 2016.
- Stylianou P., Farinola Al., (2015) "Evaluation of existing structural condition, maintenance and upgrade of Old Central Market of Saint-Andrew's building", CyACE's Technical Magazine, number 037, December 2015.
- Stylianou P., Kyprianou M., Elia N., (2014), "The Code of Ethics for Arbitrators" Member of the editorial committee and one of the three writers of the booklet.
- Stylianou P. (2013), "Arbitration Practice and Procedure in Cyprus", "Ergoliptis" Magazine. (numb. 13, June 2013).

- Farinola Al., Stylianou P. (2013), "Technical/diagnostic report of Panagia Melandrina Church, Agios Amvrosios, Kyrenia", Association of Civil Engineers CyACE Magazine. (numb. 031, January 2013).
- Farinola Al., Stylianou P. (2013), "Technical/diagnostic report of Panagia Melandrina Church, Agios Amvrosios, Kyrenia", ICE European Newsletter.
- Stylianou P. (2012), "Arbitration Practice in Cyprus", Association of Civil Engineers CyACE Magazine. (numb. 030, September 2013).
- Stylianou P. (2012), "ETEK Arbitration Rules", (chairman of the editorial committee and main writer of the booklet).

## **F. Seminars**

- Speaker at two sessions of the 4-day training for the Post Earthquake Evaluation of Buildings (Work Order: WC1882961 - BFC & SBA Earthquake Response Action Plan at the Educational Centre at RAF Akrotiri.
- Speaker at three-day seminar which took place at ETEK, "Expertise on technical Issues", 07 – 09 April 2022, Nicosia, Cyprus.
- Speaker at Building Engineering Forum (BEF), International Conference on Earthquake Engineering: "The need for Assessment and seismic strengthening of Existing Buildings in parallel with Energy Efficiency Improvements – A case study from Cyprus", 20 October 2021.
- Speaker at 73rd ECCE General Meeting: "Survey Results – ECCE Strategic Plan", 22 October 2021.

- Speaker at seminar "Engineering "Interventions" – The role and work of Civil Engineers in the restoration of traditional buildings and monuments", Presentation titled "Pathology Vulnerability and Adequacy Assessment of Monuments and Traditional Buildings" 08 & 10 October 2021.
- Speaker at Seminar "Ethics in Civil Engineering", held by ETEK, 24th of March 2021, Nicosia, Cyprus.
- Speaker at Seminar "Alternative Dispute Resolution Methods", held by ETEK, 10 May 2021 & 28 June 2021, virtual zoom meeting.
- Speaker at Seminar "General Valuation and Optical Assessment of Existing Buildings.", held by ETEK, June 2021, virtual zoom meeting.
- Speaker at seminar "Pathology and Vulnerability of monuments and traditional buildings", held by ETEK, May 2021.
- Speaker at 71st ECCE General Meeting with subject ECCE POSITION PAPER: The need for Structural / Seismic Rehabilitation of Existing Buildings, in parallel with Energy Efficiency Improvements", 24 October 2020, virtual zoom meeting.
- Speaker at Seminar "Basic knowledge and Engineers responsibilities –Code of ethics", May 28, 2020, held by Cyprus Association of Civil Engineers, Nicosia, Cyprus.
- Speaker at Seminar "Training seminars for Arbitrators", November 13 and December 5, 2019, ETEK, Cyprus.
- Speaker at Seminar "Basic knowledge and Engineers responsibilities – Code of ethics - disciplinary procedure of ETEK", held by Cyprus Association of Civil Engineers, 16th of March 2019, Limassol, Cyprus.
- Speaker for "Stone/Masonry Arch Bridges of Camel Cooper Trail in Cyprus", April 16, 2018, at the seminar Biennial of Architectural and Urban Restoration, Famagusta Gate, Cyprus.
- Speaker at seminar "ADR in FIDIC Contracts and the Cyprus Perspective", April 24, 2018, Union of Cyprus Journalism, held by ETEK, CIARB and CyACE, Cyprus.
- Speaker at "Seminar for Arbitrators", Technical Chamber of Cyprus, April and May 2018, Cyprus.
- Speaker at seminar "Presentation of the new Contract for small building projects E3(A)", May 11, 2016, Technical Chamber of Cyprus, Cyprus.
- Speaker at "Manager Contracts and measurement work", April 21, 2016, Frederick University, Nicosia, Cyprus.
- Speaker at seminar "Basic knowledge of an Engineer and Engineer Code of Ethics - Disciplinary process", February 16, 2015, CyACE, Cyprus.
- Speaker at seminar "Delegation agreement and terms, of service contract for the structural design and supervision of new constructions." 2013 – CyACE, (presentation).

- Speaker (one of five main speakers) "Arbitration Procedure and Regulation" (25.11.13, 02.12.13, 04.12.13) at Technical Chamber of Cyprus.
- Main Speaker at Seminar "ETEK Arbitration Rules", 22/03/2012 (Journalists' House).
- Speaker at seminar "Organization, quality control and dispute resolution" – 23.11.2009 (Special Education Plan for Unemployed – Engineers).
- Speaker at seminar "Law and Regulations, ETEK code of Conduct – 12.01.2009 (Special Education Plan for Unemployed Engineers – CEFR)".
- Speaker at Frederick University, "The Civil Engineering profession. His role in the society", organization of architectural design. (2012)
- Speaker at the seminar "Steel Structures, Tall Buildings and New Construction Systems" – 2012 – ETEK, "The use of Composite structures in Cyprus according to Eurocode EC4" (TEPAK University).
